Their every ingredient printed on their wrappers. Made from roots without alcohol. Contain no habit-forming drugs. World's Dispensary Medical Association, Buffalo, N. Y.

ELKS' MEMORIAL SERVICES

Rev. T. M. Cobb and Hon. John E. Swanger the Speakers.

The annual memorial services of the local Elk lodge were held in the opera house Sunday afternoon, and they proved among the most pleasing services the Elks have ever held.

After the opening exercises by the lodge Rev. T. M. Cobb invoked the divine blessing and the quartette of the Presbyterian church with Mr. D. F. Conrad accompanying sang "The Soft Sabbath Calm" by Barnby.

Rev. T. M. Cobb preached one of the most beautiful and appropriate sermons the Elks have ever listened to. It was eloquently simple, full of deep feeling and sincerity.

Miss Gladys Winn with the orchestra accompanying sang "Beyond the Gates of Paradise" with good effect.

Hon. John E. Swanger of Jefferson City delivered the address. The audience came with great expectations from Mr. Swanger, but these expectations were more than fulfilled. Mr. Swanger is an able orator and has an exceedingly pleasing personality. The Elks were indeed fortunate in securing such a speaker. He told of the greatness of fraternal feeling and set forth some of the cardinal principles of the Elks. He recited several appropriate bits of poetry with telling effect.

After two more selections by the quartette and closing exercise by the lodge Mr. Cobb pronounced the benediction.

The music throughout was of a high order and the exercises were thoroughly enjoyed by all in attendance.

Drunk on Train.

Ed Hughes, Slim Kennedy and Charles Collins delayed the east bound train Tuesday night for several minutes. They had come to Lexington, taken a few drinks and were returning to Higginsville. Sheriff Peacock was sent for and he took the three gentlemen in hand. They were taken before Justice J. J. Harding.

Hughes plead guilty to entering a train while intoxicated and was fined \$10 and costs. Kennedy plead guilty to the same charge and to assault and was fined \$5 and \$25 and costs for the two offenses. Collins has not been tried yet.

IF SICK--WHY PAY

Unless Health First Returns.

Here is what should and can be done! Now you must not only pay for food that is worthless--would you?

Then why pay for medicine until that medicine first proves to you its actual worth? Positively knowing what Dr. Shoop's Restorative can do for the sick, I say to all "don't pay unless health first returns." And I back my Restorative with a signed and sealed 30 day "No Cure, No Pay" guarantee.

I positively pledge to the sick everywhere that "Dr. Shoop's Restorative is absolutely free if it fails." Let others do the same or else pass their prescriptions by.

If you need more strength, more vitality, more vigor or more vim, use my Restorative a few days and note the immediate improvement.

When the Stomach, Heart, or Kidneys go wrong, then test Dr. Shoop's Restorative. I do not do the Stomach nor stimulate the Heart or Kidneys, for that is wrong. Years ago I saw a way that mankind lies in medicine. The books below will tell you how I am succeeding.

These books also tell of a tiny hidden "inside nerve," no larger than a silver thread. They tell how that nerve, until it fails, actually gives to the Heart its power, its tone, its never-ending action or impulse.

These books will open up new and helpful ideas to those who read them. They tell how the stomach and kidneys each have their "inside" or power nerve. They tell how the Restorative was especially made to reach and revitalize those weaker failing organs--nerves. All of these facts will tell you how I am succeeding.

This is why I say "take no chance on a medicine whose maker dares not back it just as I do by this remarkable offer."

So write me today for the order.

I have appointed honest and responsible druggists in nearly every community to issue my medicine to the sick.

But write me first for the order.

All druggists sell Dr. Shoop's Restorative, but all are not authorized to give the 30 day test. So drop me a line please--and thus save disappointment and delay. Tell me also which book you need.

A postal will do.

Besides, you are free to commit me as you would your house physician. My advice and the book below are yours--and without cost.

Perhaps a word or two from me will clear up some serious ailment. I have helped thousands upon thousands by my private prescription or personal advice plan. My best effort is surely worth your simple request. So write now while you have it fresh in mind, for tomorrow never comes. Dr. Shoop, Box 12, Easton, Wis.
